# **Orchid Chat**

## **Special Edition Online meeting with "ZOOM"**

**How to join in on Wed. Sep. 16 at 6:30 PM**

**First, make sure that you have a "webcam" and microphone so we can all see and hear you. All recent laptops have these built in. If you are using a desktop computer, you will need to attach those accessories.**

**Next go to ZOOM.COM and download the app. Read the information there if you are unfamiliar with it.**

**You will receive a link by E-MAIL from TVOS which you will "click on" to join the meeting. It's pretty simple. If you have something to show, you can hold it up to your webcam and share with the rest.**

**You can even come to the meeting in your PJs, just throw on a sweatshirt. No one is going to see if you're wearing your fuzzy bunny slippers under your desk!**

**Also, regarding club dues... only about half of thee membership has sent in dues for 2020. Why should you want to? There haven't been any meetings to attend. The TVOS board voted to extend dues into 2021. If you did pay you're good through 2021. If you didn't send in your dues, you won't be "due" until your regular month in 2021.**

**We all want to get back to our regular lifestyles but until then we are going to try and stay connected. See you there!**
