## Treasure Valley Orchid Society

### June-July 2024

-----

There won't be any evening meetings over the summer, but some fun day time activities instead.

We hope to have two events in June: a day at Janet Crist's orchid greenhouse and an open house at Nick Robert's for his fun collection of carnivorous plants.

Janet's date has not been set yet, but I just heard from Nick that his date will be June 15. Janet's date and the start times will be sent out later.

On July 20, we have reserved a spot at Steve Guerber Park in Eagle, Sunset Pavilion, section C, for our silent auction and potluck, 10am-2pm.

The pavilion usually stays cool and breezy even on a hot July day. Bring a chair, and any orchids (and a table if you have a lot) that you want to try to auction off.

The club takes a percentage of the sales, or you can donate your sales to the club. Nick Roberts has been invited to bring some of his carnivorous plants to auction off.

For the potluck, either bring a salad, veggie or fruit tray, or dessert and the appropriate serving ware. A board member usually provides fried chicken or sandwiches. Table service and water will be provided.

There will be more details about the events as the dates becomes closer. A reminder email will be sent out then.

The month of August is vacation time.
